## MEET EMYLI

Head Coach & Cofounder

Since my 100-date experiment, I've guided thousands of men through the dating scene to find a long term partner.

However, my commitment extends beyond just dating coaching; I'm also dedicated to helping men cultivate enduring, thriving relationships. If you're seeking love or aiming to sustain it, I'm here to help.

## MEET THOMAS

Coach & Cofounder

In my twenties, I spent six years navigating San Francisco's challenging dating scene. Engaging in extensive research and experimentation, I eventually found love with Emyli. Seven years into our relationship, I successfully rekindled her affection after a brief separation. Today, I'm committed to helping men like you find and hold onto love.

## OUR CORE VALUES

### LOVE

We seek to foster happy, healthy, and loving relationships.

### EXPERIMENTATION

We view dating as a social experiment.

### WINNING

We train you to win first place in love by attracting and maintaining thriving relationships.

### HOPE

We hope to conquer loneliness.

## VISION

To change the way people think about dating & relationships by using our proprietary philosophies of MegaDating & The Warrior Method.

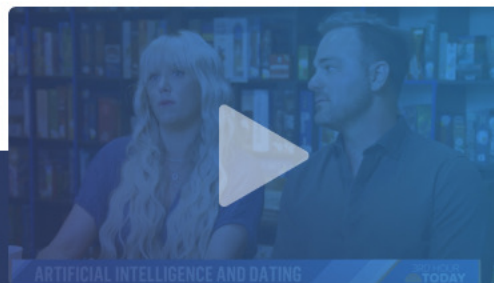

## MISSION

To help you find (and maintain) a loving, healthy, and happy relationship.

## OUR TEAM

Our team includes best-in-class dating & relationship coaches, intimacy trainers, celebrity stylists, anxiety coaches, mock date experts, confidence coaches and other experts who are dedicated to helping you create & maintain a healthy, happy, and loving relationship, that lasts!
